When Jesus was asked by his disciples where the next Passover would be, he replied to them: Behold, when ye are entered into the city, there shall a man meet you bearing a **pitcher of water...** follow him into the house where he entereth in. — Jesus, Luke 22:10

Passing of the Ages

Moses ended the Age of Taurus by killing the bull god—the Golden Calf—polytheism. This started the Age of Aries—the Mosaic Age of monotheism—the Ram god. Jews blow the ram's horn.

Jesus represents the New Covenant of the Age of Pisces—the fish god. Pisces represents the “dying God.”

Before Jesus was the Age of Aries.
After Jesus comes the **Age of Aquarius.**

Castor and Pollox

- ❑ **Gemini** the TWINS has two stars named Castor and Pollux.
- ❑ Castor and Pollux are explicitly mentioned in [Acts 28:11](#) — "After three months we put out to sea in a ship that had wintered in the island. It was an Alexandrian ship with the figurehead of the twin gods **Castor and Pollux.**"

This is the most precise and explicit tribute to the Zodiac, naming the exact stars, leaving nothing to interpretation.

The Summer Solstice is the mid-point of the year.

The sun is at its highest point.

The Transfiguration of Jesus is a tribute to the Solstice.

- ❑ In June, the Sun passes through Cancer — the Crab thought to go **backwards** (June 21 - July 22).
- ❑ The starting date is **June 21, the Summer Solstice**, the longest day of the year, when the Sun is at its highest ascension. After this day **the Sun does go backwards**, beginning it's descent southward, as the days get shorter.

Jesus' transfiguration is a tribute to the Summer Solstice. ([Mark 9:2-13](#); [Matthew 17:1-13](#); [Luke 9:28-36](#)). Jesus goes to a high mountain top and shines very brightly, just as the Sun is high in the sky and shines warmly and brightly during these Summer months.

[Proverbs 26:11](#) “A dog that returns to his vomit is a fool.” The sun back-slides to winter.

[Luke 9:62](#) - And Jesus said unto him, No man, having put his hand to the plough, and looking back, is fit for the kingdom of God. (The Kingdom of God is the HARVEST).

**By the Summer Solstice, you can't plow the fields twice. You're crop is fully committed.
No backsliding.**

And yet the sun does go back, rising east more to the south to close out the year.

In July the Sun passes through Leo the Lion (July 23 - Aug. 22), the strongest sun of summer.

Who is the Lion? The SUN.

Revelation 22:16

"I, Jesus, have sent My angel to give you this testimony. I am the Root and the Offspring of David, **the bright Morning Star.**"

Revelation 5:5

FERTILITY

The Sun moves out of Leo into a new constellation that represents the harvest.

August Harvest = Virgo

The constellation for harvest time is a female virgin holding a sheaf of wheat. Farmers who till the fields are said to be wedded to this celestial virgin for which they wait for each year. Thus they are known as "husbandmen," and their tools such as tractors are known as implements of **husbandry**.

Mary (Virgo) is the Eternal Virgin

The Beginning (**CANCER**) and end (**VIRGO**) of Summer Harvest time is the best time of year. Jesus enters Jerusalem with the harvest coming in; a tribute to the **Sun's triumphant entry into Virgo.**

Harvest brings bounty "The Kingdom of God."

After the harvest the Sun moves from Virgo into **Libra, the Scales**. (September). These are the "Scales of Justice." The harvest has been gathered, it is now time to sell the harvest. Scales are used to buy and sell the harvest.

At the end of harvest time, when there is nothing left to sell, the money changers pack up and leave. The Bible says, "Jesus entered the temple area and drove out all who were buying and selling there. He overturned the tables of the money changers." ([Mark 11:12-19](#); [Matthew 21:12](#))

Money changers pack up and leave, because the season has passed and they are finished selling the harvest.

**After the harvest,
the Temple becomes a den of thieves.**

After summer is the harvest. We enjoy bread and wine.

JESUS CURSES THE FIG TREE

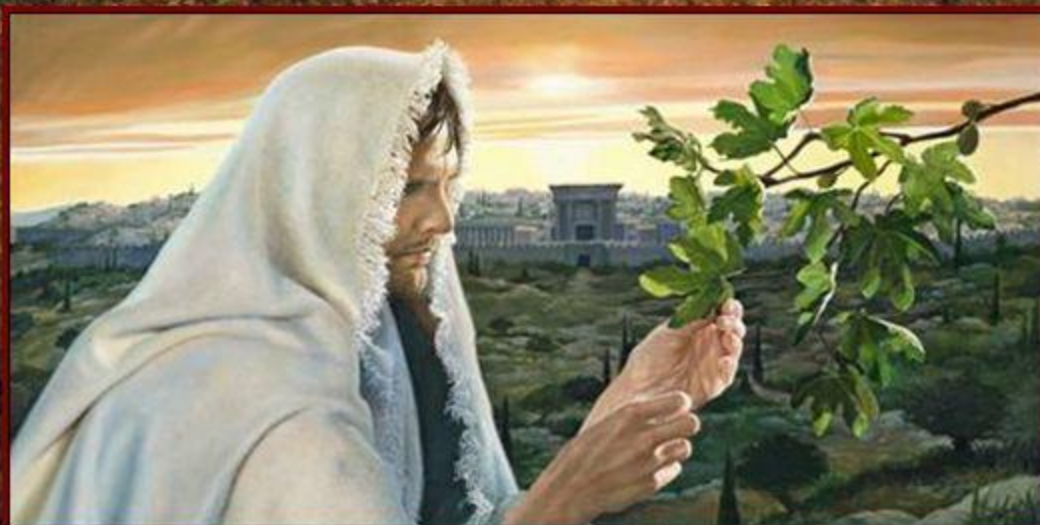

Matt. 21:18-22

Early in the morning, as Jesus was on his way back to the city, he was hungry. Seeing a fig tree by the road, he went up to it but found nothing on it except leaves. Then he said to it, "May you never bear fruit again!" Immediately the tree withered.

When the disciples saw this, they were amazed. "How did the fig tree wither so quickly?" they asked.

Jesus replied, "Truly I tell you, if you have faith and do not doubt, not only can you do what was done to the fig tree, but also you can say to this mountain, 'Go, throw yourself into the sea,' and it will be done. If you believe, you will receive whatever you ask for in prayer."

What is the lesson of the fruitless fig tree?

Autumn

- ❑ In Autumn leaves fall from the trees. The trees appear to wither. In the Jesus-sun story, **Jesus curses the fig tree and makes it wither.**
- ❑ This action makes no sense if Jesus were a real person, but it makes perfect sense when understood as an allegory.
- ❑ It is simply Autumn, and Jesus, the **Sun, who makes the seasons pass, causes the leaves to fall from the trees.**

Pilate

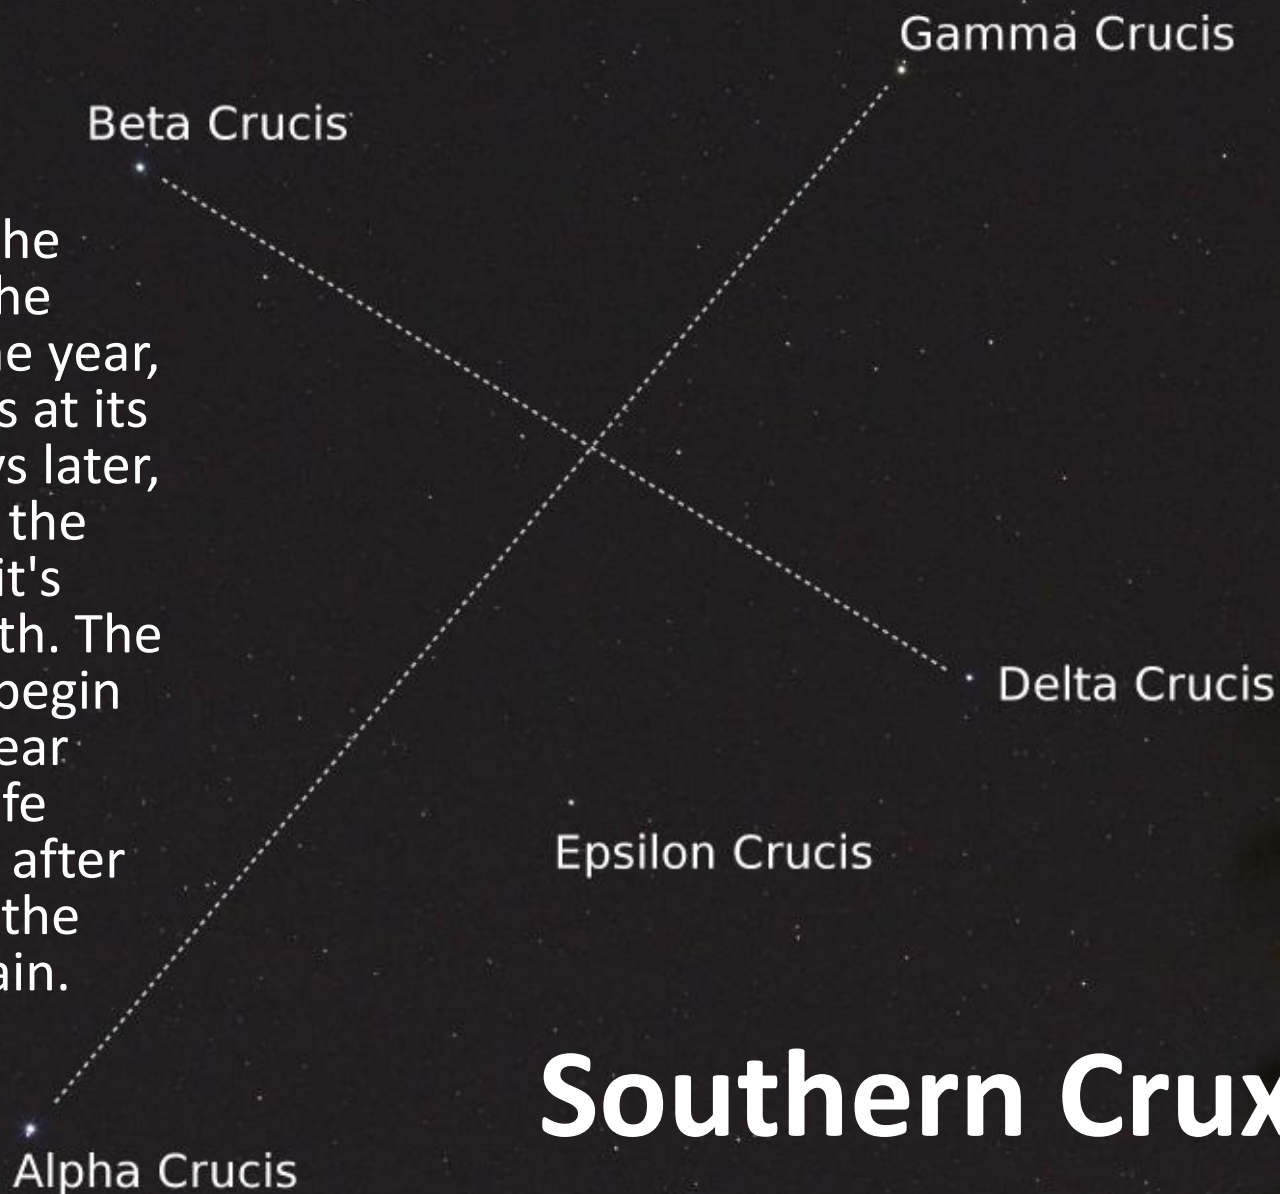

: Tribute to Sagittarius

Jesus is handed over to Pontius Pilate. "Pilate" is literally "armed with a spear", a reference to **Sagittarius, the archer, the man armed with a spear**. Pontius Pilate plays Sagittarius, the **last constellation the Sun passes through during the last month of the year, Nov. 22 - Dec. 21**. Pilate is the last person Jesus sees in the story before crucifixion — Sagittarius is the last zodiac month of the year.

Sagittarius is a man on a horse with a bow and arrow. He is the man armed with a **spear**. It is a good time of the year to go hunting. The animals are full grown. But the days get shorter and shorter and colder and colder as the year comes to a close. Things look dark and gloomy. What will happen to our savior, the Sun, who makes the harvest grow? Will he disappear forever?

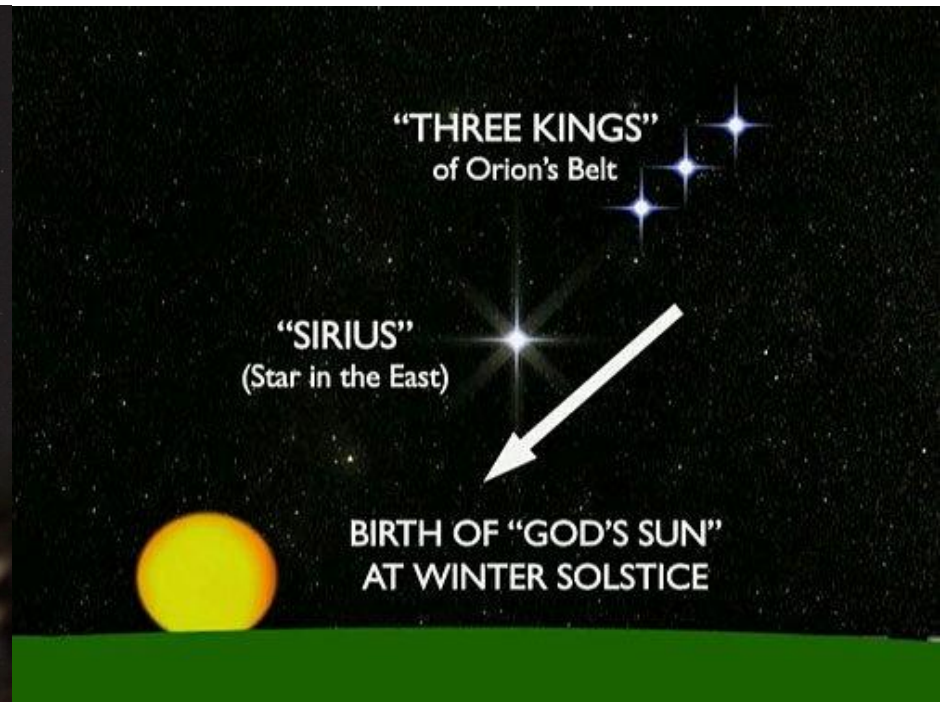

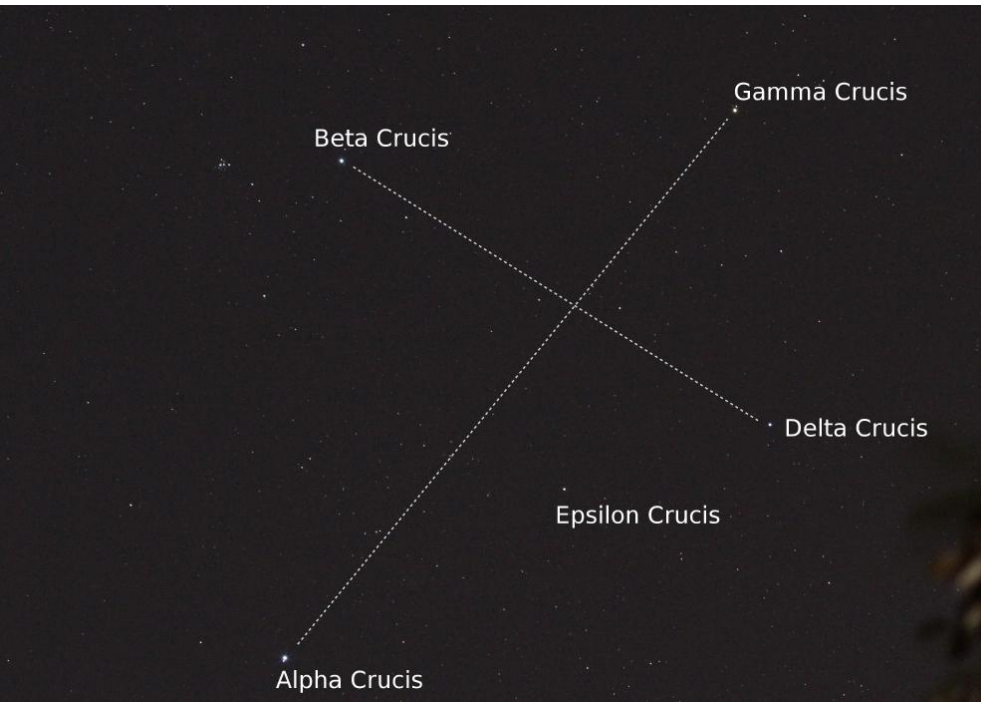

The Sun Rises at its Lowest Point; Crucified under the Southern Cross. Three Days Later it Rises Northward Again

- ❑ December 22 is the Winter Solstice, the shortest day of the year, when the Sun was at its lowest. Three days later, on December 25, the sun rises 1/10 of its width farther north. The Sun is reborn, to begin the cycle of the year and the cycle of life again. Three days after Jesus is placed in the cave he arises again.

Southern Crux

On December 25, the Sun begins rising northwards again under the Constellation Virgo. Thus, Jesus the SUN is "born of a Virgin"

The Sun Rises at its Lowest Point; Three Days Later it Rises Northward Again

- ❑ December 22 is the Winter Solstice, the shortest day of the year, when the Sun was at its lowest.
- ❑ Three days later, on December 25, we have Christmas day. We celebrate the birth of Jesus. The most important day of the year. The days of the year get longer again.
- ❑ **Jesus was buried in a cave (tomb) and born in a cave (manger) to bring the new year, linking birth and death, forever and ever.**

The First Divine Donkey comes from the Constellation of **Taurus**. He is the God Set and is ever adorned with two long fine ears. He brought glory to the Upper Kingdom of Egypt for two thousand years. Rameses II, under his aegis, had hundreds of wives and countless offspring. A great Pharaoh, Son of Set, he is known as Rameses the Great.

At this dawn of a new aeon this Divine Ass brings human love, and so assures the continuity of the human race. Where Set is, there are offspring.

The Second Holy Donkey comes from the Constellation of **Leo**. It was She Who presided over the birth of a Child from Heaven, born in a stable. She protected the child along with a friendly Ox. In these days She comes with thousands of children from the Stars who join with humans to bring love, harmony and friendship. This donkey's gift is Happiness.

The Third Sacred Donkey comes from the Constellation of **Scorpio**. She carried an Avatar on Her back to His initiation of the Dying and Resurrection of the God. She comes at this time of change to bring courage and compassion.

The Fourth Mystic Donkey emanates from the Constellation of **Aquarius**. He is a shape-shifter and appears in the form of the body of Francis of Assisi, who acknowledged him as "my body Brother Ass." He has been sped forth from the Cosmic Hierarchy to spread understanding and love between all creatures. His gift is Peace.

Conclusions

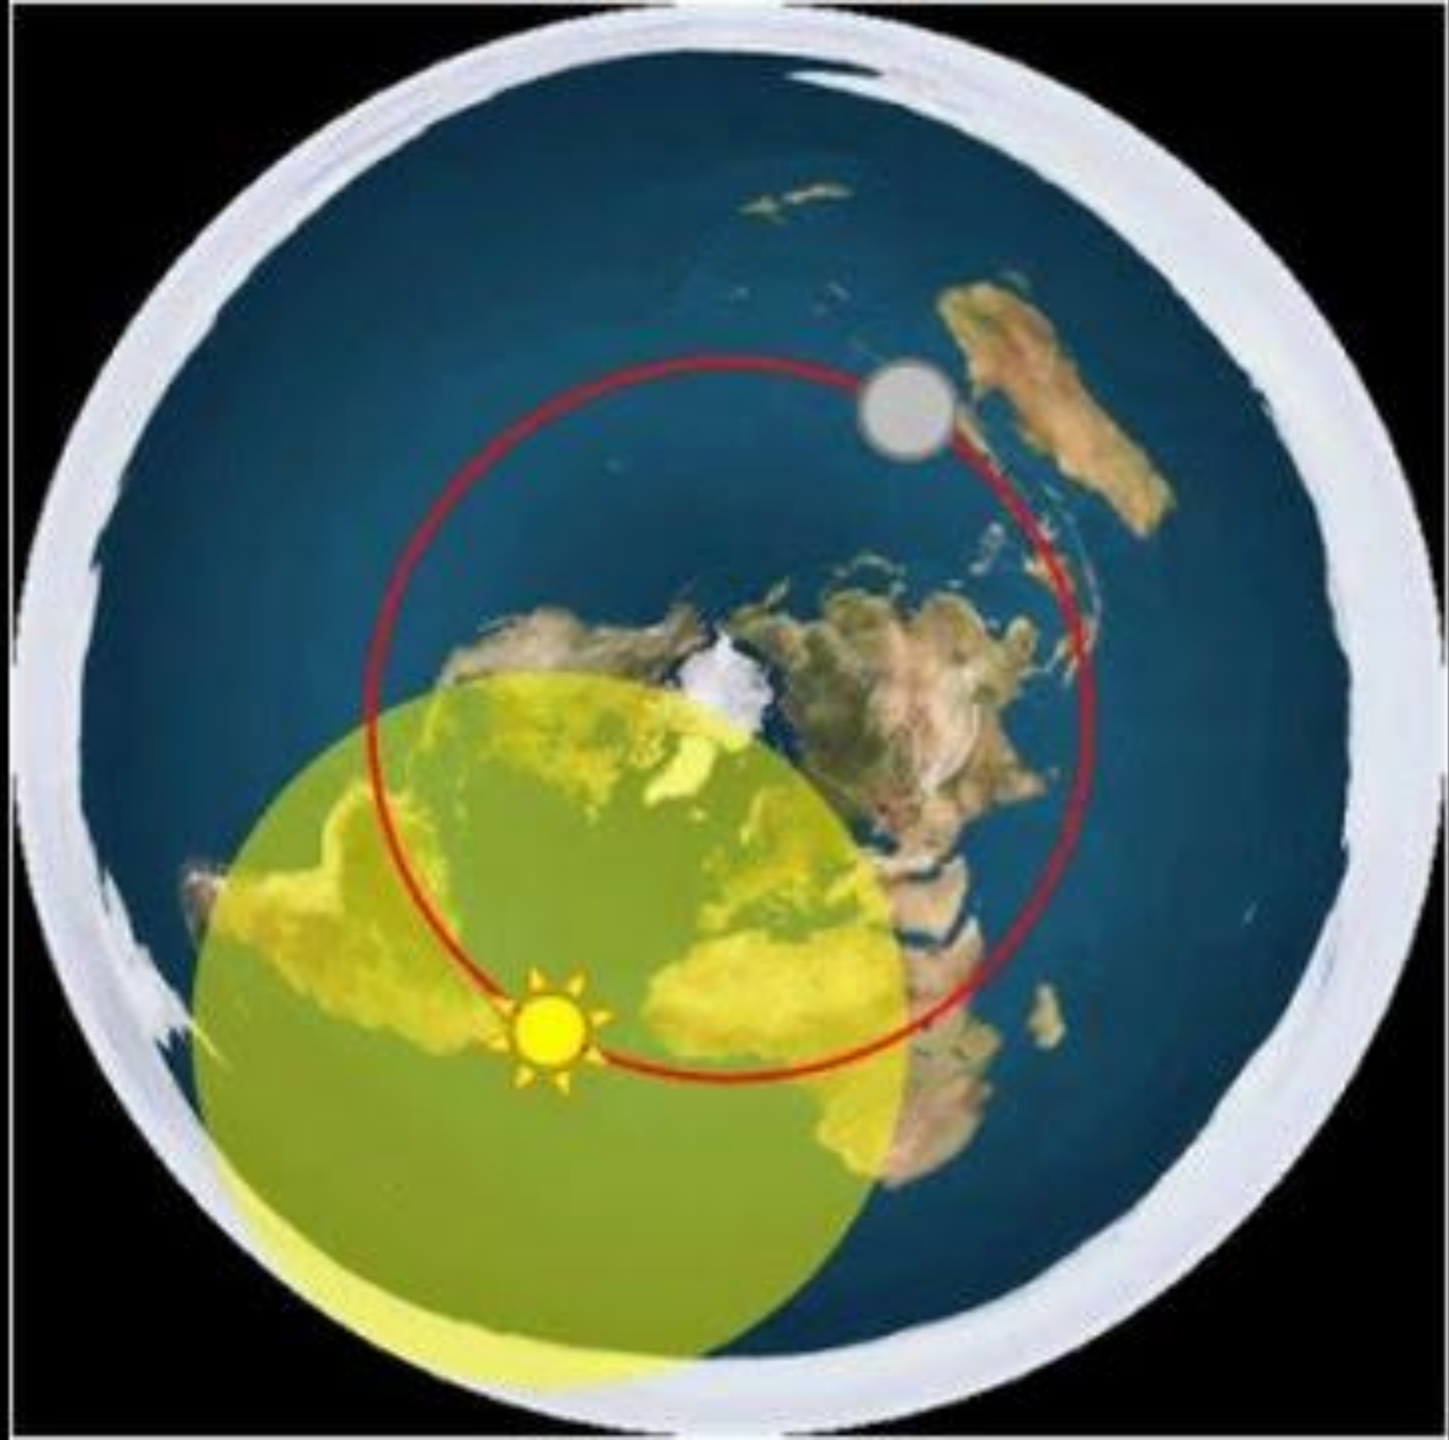

- ❑ Jews were primitive savages living in the desert.
- ❑ **The Bible was written for the Jews, NOT by the Jews.**
- ❑ Jews produced the perverted and criminal Talmud.
- ❑ Jews do not accept the Bible. Jews go down the female line, not the male line, as mentioned in the Bible.
- ❑ Desert Jews are not sun-worshippers. They hate the sun.
- ❑ Primitive Jews did not have the sophistication to produce the metaphorical language of the Bible.
- ❑ The Romans did worship the sun, the grape, and the turning of water to wine.
- ❑ The New Testament is a late Roman creation: **sun-worship and a sun-god for the Jews to accept Roman rule**
- ❑ Only a state with resources could have produced the Bible
- ❑ Christianity is a Roman sun story to rule Jews with the mantra love your enemy and hate Jews.

The Earth Is Flat

Tributes to the Zodiac

Why Hide the Flat Earth?

- ❑ Flat Earth perfectly fits the Zodiac
- ❑ Flat Earth reveals astro-theology
- ❑ Flat Earth would expose Christianity for what it is, **a story, not an absolute power that demands obedience out of fear of hell**
- ❑ Christianity needs the globe model, or else, it is easily exposed as astrology and sun worship.

- ❑ The Sun is the false god.**
- ❑ It is not *the* god, if there is one.**
- ❑ Jesus is a character Romans created to play the sun.**
- ❑ The sun is just a light created by nature or some more complex creator.**
- ❑ The real god is unknown.**
- ❑ And may not exist.**

To Understand It Beats It

**There's no point debunking Christianity
Understanding it is sufficient**

Encourage people to understand it.

The evidence is overwhelming.
